怎样下载文章

每一本 FnT 的出版物在网站上都有两种形式：期刊和电子书。试用包含期刊文章 PDF 形式的下载。下载文章的 PDF 版要跳转到期刊文章页面。

举例：一本期刊的网址 <http://www.nowpublishers.com/article/Details/ACC-034>

The screenshot shows the homepage of the journal "Foundations and Trends® in Accounting". The header includes the "now" logo with the tagline "the essence of knowledge" and a navigation bar with links: Home, Subjects, Journals, Books, Packages. A search bar is located on the right. The main content area features the journal title, a list of Executive Editors (Robert Bushman, Sunil Dutta, Stephen Penman, Stefan J. Reichelstein), ISSN information (Print: 1554-0642, Online: 1554-0650), the publisher (Zac Rochnik), and a list of indexing services (SCOPUS, EconLit, JEL, Zentralblatt Math, Google Scholar, RePEc, Summon, EBSCO Discovery Service). A sidebar on the right titled "About this journal" lists links like Journal Home, Editorial Aims, Editorial Board, Author Instructions, LaTeX Style Files, Pricing, Recommend to Library, and Alert Me. Below the main content, a section for "Volume 11" lists "Volume 11, Issue 1-2" and the article "Rethinking Financial Reporting: Standards, Norms and Institutions" by Shyam Sunder.

然后点击其中的一篇文章 “Rethinking Financial Reporting: Standards, Norms and Institutions”

The screenshot shows the article page for "Rethinking Financial Reporting: Standards, Norms and Institutions" by Shyam Sunder. The header is identical to the journal homepage. The breadcrumb trail reads: Foundations and Trends® in Accounting > Vol 11 > Issue 1-2. The article title is prominently displayed. Below the title, the author's name and affiliation (Shyam Sunder, Yale University, USA) are listed. A "Suggested Citation" section provides the full citation and a DOI link. The "Published" date is 28 Sep 2016. A "Subjects" section lists "Financial Reporting, Disclosure". A "Keywords" section lists "M41 Accounting, Securities law, Accounting practice, Performance measurement, Cost of capital, Optimal budgeting, Inter-divisional cost-sharing, Goal congruence approach, Agency conflict". On the right, there is a "Free Preview" section with a "Download extract" button, an "Article Help" section with links for inactive download buttons, formats, and citing, and a "Share" section with social media icons for Facebook, Twitter, and LinkedIn. At the bottom, a "Journal details" section includes a "Download article" button and an "Abstract" section. The abstract text is partially visible, starting with "Since the passage of the US federal securities laws more than eight decades ago, much regulatory effort has been devoted to improving financial reporting in business, government and not-for-profit organizations. Yet, evidence on improvements or abatement of misreporting by error or intent remains scarce. In the context of this experience, it may be useful to explore what we might mean by better financial reporting, and how we might define and implement processes to move in that direction. A broad agreement on the..."

向下滑动到“Download Article”按钮——在“Journal”标签下面。点击此按钮就可以下载完整的 PDF 形式文章。
